INSTRUCTIONS TO EMPLOYER

1. A certificate must be given to each employee who was in your employment on 5 April, 1961, and whose Tax Deduction Card or Emergency Card shows that tax has been deducted at any time during the year either by you or any previous employer.
2. The certificate should be prepared from the Tax Deduction Card or Emergency Card, after the card has been completed to show the pay and tax for the year.
3. Item 2 of the certificate should be completed in every case in which a certificate is required to be given.
4. In addition, item 1 of the certificate should be completed in the case of an employee engaged during the year if any pay and tax in respect of previous employments have been deducted from the year's totals at the end of the Tax Deduction Card.

If in such a case the "tax in respect of this employment" as shown on the Tax Deduction Card is a refund (marked "R"), the word "refund" should be entered after the figure of tax at item 2.
