Dear Riyad,

Further to my letter of 20th February I am delighted to inform you, that our authorities have let us know that our passports are ready. We must to pick them up to 15th May unless they will lose their validity. The problem is that to take them we have to show documents saying that our journey is prepaid in foreign currency. That is to say either return tickets or an statement of account drawn up by our Bank Handlowy in Warsaw, ul Traugutta 7. In this last case you ought kindly to pay at our names the sum representing the cost of our journey.

I would be very grateful if you could to reply me as soon as possible what have you decided in this matter.

I would like to apply for visas in the next week and therefore must also to know if we go to you by bus or by plane. I am very much looking to hearing from you soon. As you know we would like to spend with you a month and half, that is from 1st July to 15th August. We hope very much

that this time will be convenient for you as well.
Would you kindly to let us know if you accept
this appointed time.

I appreciate your kindness and enjoy very much
to meet you in your own country.

With many thanks and best wishes

Yours very sincerely

Ewa
