Dear Sir:-

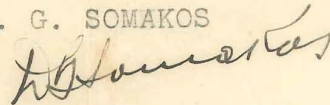

In the absence of Mr. Ansari we are taking care of the house you are living, and inasmuch as, we see no rent forthcoming and due to the fact that we have heavy payments to make, we will ask you to kindly vacate the apartment by the 28th of this month, as we must pay the rent of the place to obtain some revenues.

Or unless you wish to stay for a month or more, please send us rent for \$50.00.
