Mr. A. S. Merton, Correspondent of "The Times" in Egypt, presents his compliments to H. E. Riza Bey Taufik & would feel honoured, if he would take tea with him <sup>(privately)</sup> tomorrow (Wednesday) at 5. p.m. at his home. Mr. Merton would ere this have given himself the pleasure of calling on His Excellency, but unfortunately he has been laid up & is still confined to the house.
