ROMA - IL COLOSSEO
G. VANITELLI

Dear Ziyad-

I hope the enclosed articles will interest you. We have followed the progress of your elections and know that you must be pleased with the results. It is to be hoped that Mr. Djal's health will stand the strain of the work ahead. I am spending Christmas in Rome this year for the first time and will think of you in Istanbul.

To wish you and Dilhan

A Merry Christmas
and
a Happy New Year
from

Joan
