Dear Mr Kocaoglu,
 I don't know
 if you will remember that
 we met at the PIAC
 meeting this may
 in Ghent? It was
 very nice to meet you
 and interesting for me
 to hear about your study
 of Yakut, amongst other
 Turkic languages, and I hope
 we may keep in touch?

I hope you are well.
 Are you back at work now
 How is your own research
 progressing? I continue with my
 Yakut studies, and hope to visit
 Leningrad soon.

With best wishes
 and hoping to hear from you

Frances Cooley
