Dear Mr. Gokyay,

I have had a request from Mr. Somerville at the British Council to contact you with regard to your 13 year old son.

I am sure that we are going to be able to help you here and I enclose all the details of our fees and services and upon receipt of our fees and the Student Record Sheet completed we shall be happy to put the matter in hand for you.

I understand that you wish us to recommend to you one of our families with whom he might stay for three to four months.

We will certainly be able to do this and would like to know when you would like this to begin from so that we may be able to contact a suitable family and see if they are able to have him for the period.

The average cost for this will be about £25.00 to £30.00, per week, English tuition, should he require it, will be extra, together with sports like swimming, riding or whatever the particular family may offer. Some families offer an all inclusive fee of £50, where there are no extras.

He will live an English family life, speaking English all the time and joining in all the activities which are offered, and we normally put students with those of similar age in the family.

I enclose details of one very suitable

set up where he will be welcomed and happy.

I look forward to hearing from you on this and hope that we can be of further help to you.

Yours sincerely,

*Jean M. Worboyes*

Miss J.M. Worboyes.
